

Product Summary

Product Groups

A range of formwork varnish, release agents, curing compounds and surface retarders, providing excellent protection and high quality concrete finishes.

A range of high quality, polymer modified and resinous mortars, designed for undertaking Concrete Repair and Protection, in accordance with EN1504. Suitable for heavy duty industrial applications and repair of highway structures.

High performance anti-carbonation, waterproof, chemically resistant and decorative coatings for walls and soffits.

High performance, non-shrink cementitious and resinous Structural Grout for repair, bedding and anchoring. Includes a comprehensive range of polyester and epoxy grouts.

High performance and rapid setting cementitious epoxy and polyester mortars and adhesives for industrial and highways applications.

A range of joint sealants for use in building and civil engineering structures to accommodate structural and thermal movement.

Group 7

Industrial Flooring

Hardwearing and heavy duty surface hardeners, dust proofers, sealers, coatings, screeds, toppings and resin flooring products for commercial and industrial applications.

Group 8

High Friction Surfacing & Waterproof Coatings

MMA, PU and epoxy resin body-coats, designed to achieve anti-slip and waterproof surfaces with exceptional durability to carpark decks, footways, balconies and ramps. Suitable for wood, steel and concrete decks. Complimented by cold applied and rapid curing, linemarking paint.

Group 9

Leak Sealing & Resin Injection

Nufins injection resins are optimally formulated to stop leaks, lift slabs, stabilise soils, fill voids and protect concrete structures.

Group 10

Adhesives & Cleaning

Epoxy adhesives providing exceptional bond strengths and suitable for a variety of materials, including concrete, stone, metal, plastic and ceramic. Polyester fillers in a range of colours for wood, terrazzo and concrete surfaces. Cleaning agents for Nufins' resinous products.

Group 11

Accessories

Spraying equipment, sealant guns, single use plastic cartridges etc.

About Us

Since being founded in 1966, Nufins has evolved into a manufacturer of specialist construction products with a key focus on civil engineering, construction, structural repair and coatings products which are used worldwide.

Our long established concreting chemicals range conforms to industry standards for application and performance. All products manufactured for use in the repair and protection of concrete structures are tested in accordance with BS EN 1504 and carry the CE marking. Our wide range of protective coatings and industrial flooring systems enable us to specify durable solutions for commercial and industrial projects.

The Nufins brand is synonymous with innovation, bespoke product development and high quality manufacturing under the ISO 9001 Quality Management Scheme, thus providing Nufins' customers with confidence in the quality and reliability of our specialist product range.

Nufins is a USL Group brand, marketed by Tremco Construction Products Group across Asia Pacific.

Marketed by Tremco CPG in Asia Pacific
